CQMS PORTAL AUTOMATED CHASES

In addition to bespoke chases by the Safety-Scheme department, our Portal sends both proactive (and reactive) chases to suppliers whilst registered with CQMS Safety-Scheme

Module	Proactive chases				Reactive chases			
	90 days before expiry	30 days before expiry	14 days before expiry	7 days before expiry	7 days after expiry	14 days after expiry	30 days after expiry	90 days after expiry
